***Thank you for taking the time to review this material.***

*Hope this helps with your decision to have Gary Politte with Protection Against Crime (PAC), hold the free personal safety seminar. This program for men and women is informative and educational for friends, co-workers, and family. Many of the facilities are on a 1 or 2 year rotating basis, depending on staff turnover and needs.*

*Gary completed his training in El Paso, Texas with retired law-enforcement agents out of Los Angeles, California. Gary is a National Speaker and has provided hundreds of Personal Safety Seminars through out the Southern and South West Regions of the United States each year since 1993. As you can see from the references, Gary does seminars for different types of facilities, organizations, and clubs. Many of them are mixed groups and typically he presents the seminar at their weekly, monthly or annual: meetings, breakfasts or luncheons. Gary is able to provide his services to the people who have the desire and need for this program. He holds the seminars by organization, department or shift depending on the needs of those attending the program. Moreover, most Risk Management, Staff Development, and Human Resource Departments schedule the seminar as a mandatory program for their employees or members. The seminars range in length from 35 minutes to 60 minutes depending on the needs or structure of each group. Since this is a personal safety seminar, at the end of the program, Gary does introduce a non-lethal, non-toxic self-defense spray and trains everyone to use it.*

*At PAC we believe that personal safety should be part of a person's life-style, and comments have been that knowledge learned from Gary was not brought out in other safety programs previously attended by personnel. Gary does make the seminar humorous as well as entertaining, but the main reason is to have everyone be aware and prepared. By viewing our web site we believe that your company or organization will find the crime prevention information beneficial for everyone's personal safety.*

*If you have any questions or need more information to schedule a seminar please call. References follow for you to review at your convenience.*

*Again, Thank You and we look forward to hearing from you soon.*

Dear Gary,

I just wanted to drop you a line to let you know how much we appreciated the Safety Seminar you presented at our bank last year. I believe we all benefited from the tips you gave us regarding safety precautions and self-defense. I came home and shared them with my teenage daughter as well.

I was also particularly impressed with your Omega product. I ordered one at that time and re-ordered two this week. I frequently work late hours at my branch and can leave the office alone with confidence knowing I have the Omega in hand (I also follow your suggestions regarding alertness and keeping my hands free and quickly getting in my car and locking it!). The additional canister I purchased is for my daughter. She'll be attending College in the Fall and I'll feel much better knowing she has one of these.

All the Best,

Martha Vaught

To Whom It May Concern:

Gary Polite has provided training to the volunteers and staff of the Tom Green County Sheriff's Crisis Intervention Unit two times during the last few years. His training is very informative and interesting. He covered aspects of self-protection that some of us had not considered. Most of our volunteers are women and the training is especially practical for them.

Mr. Polite also presented us with the opportunity to purchase his non-lethal, non-toxic spray for self-protection. Most of us purchased the spray, which seems to be well suited for our needs. I would recommend Mr. Polite's presentation to almost any group of people who may need to become more aware of dangers we don't always think about.

Respectfully,

Rita Guffria, Coordinator

Protection Against Crime

To Whom It May Concern,

Mr. Gary Politte attended our January 27<sup>th</sup> meeting and put on a program for us. His subject was very timely in this day and age. The film he showed to us was a revelation. We all have been told of the effectiveness of Pepper Spray and physical acts that we can take are. It seems we have been told wrong. Mr. Politte's demonstration was very informative. He did a good job of this presentation.

After the meeting Mr. Politte had a new product that he offered for sale. Several of our Lions purchased one. I myself bought one for my husband to carry when his job requires him to travel away from home over night.

We wish to thank Mr. Politte for coming to our meeting with his demonstration.

Sincerely yours

Lion Sally Lund  
Club Secretary
