

Serving the public since 1993!

Thank you for taking the time to review this material.

Hope this helps with your decision to have Gary Politte with Protection Against Crime (PAC), hold the free personal safety seminar. This program for men and women is informative and educational for friends, co-workers, and family. Many of the facilities are on a 1 or 2 year rotating basis, depending on staff turnover and needs.

Gary completed his training in El Paso, Texas with retired law-enforcement agents out of Los Angeles, California. Gary is a National Speaker and has provided hundreds of Personal Safety Seminars through out the Southern and South West Regions of the United States each year since 1993. As you can see from the references, Gary does seminars for different types of facilities, organizations, and clubs. Many of them are mixed groups and typically he presents the seminar at their weekly, monthly or annual: meetings, breakfasts or luncheons .Gary is able to provide his services to the people who have the desire and need for this program. He holds the seminars by organization, department or shift depending on the needs of those attending the program. Moreover, most Risk Management, Staff Development, and Human Resource Departments schedule the seminar as a mandatory program for their employees or members. The seminars range in length from 35 minutes to 60 minutes depending on the needs or structure of each group. Since this is a personal safety seminar, at the end of the program, Gary does introduce a non-lethal, non-toxic self-defense spray and trains everyone to use it.

At PAC we believe that personal safety should be part of a person's life-style, and comments have been that knowledge learned from Gary was not brought out in other safety programs previously attended by personnel. Gary does make the seminar humorous as well as entertaining, but the main reason is to have everyone be aware and prepared. By viewing our web site we believe that your company or organization will find the crime prevention information beneficial for everyone's personal safety.

If you have any questions or need more information to schedule a seminar please call. References follow for you to review at your convenience.

Again, Thank You and we look forward to hearing from you soon.

Dear Gary,

Thanks so much for the presentation on "Protection Against Crime" you delivered today for the employees of Roscoe ISD. I believe you opened a lot of eyes, not only to the potential dangers that lurk in the society in which we live, but also to some of the defense mechanisms we, as potential victims have at our disposal.

Your presentation was not only factual and informative, but entertaining as well. I think the entire faculty felt it was of benefit to them, and I know they would welcome a return visit in the near future.

Once again, thanks for all your efforts to protect society from predators, thereby making the world a better place in which to live. Please don't hesitate to call if I can be of further assistance to you in your efforts to inform and protect the general public.

Sincerely,

Kim Alexander, Ed.D.

The staff at Collins Primary sat through a presentation on the Protection Against Crime and The Prevention of Rape, Robbery, and Assault. This educated the staff on areas of awareness and provided strategies of protecting themselves when confronted or attacked.

I strongly recommend this presentation to any school district or place of business that wants each of their employees to be safe and educated on crimes that are being committed and too often taken for granted that it could never happen to us.

A sincere thank you to Gary Politte for taking the time to come to Collins Primary and educating our staff on crime awareness and the prevention of crime.

Sincerely,

Anna Lisa Vela

To Whom It May Concern:

Gary Politte has provided training to the volunteers and staff of the Tom Green County Sheriff's Crisis Intervention Unit two times during the last few years. His training is very informative and interesting. He covered aspects of self-protection that some of us had not considered. Most of our volunteers are women and the training is especially practical for them.

Mr. Politte also presented us with the opportunity to purchase his non-lethal, non-toxic spray for self-protection. Most of us purchased the spray, which seems to be well suited for our needs. I would recommend Mr. Politte's presentation to almost any group of people who may need to become more aware of dangers we don't always think about.

Respectfully,

Rita Guthrie, Coordinator

Verda,

Thank you so very much for returning my call on 09-10-03. As I told you my purpose in calling you was to express my personal opinion about Mr. Politte's presentation that took place on our campus on 09-08-03.

Mr. Politten was very professional in his presentation. He introduced just enough humor that engaged the seated audience and I think that he did a "fantastic job". Not only was he funny at times but he brought some very serious issues to the attention of our students.

I am a former police officer from the State of New Mexico and in all my years of service, I never saw a product that could render a perpetrator immobile in such a short period of time. I was very impressed!

You folks are doing a great job and are providing a very valuable service.

Many thanks!!

Sincerely,

RE: Carlsbad Municipal Schools' Inservice Day (April 23, 1999)

Dear Mr. Politte:

On behalf of the Carlsbad Municipal School District, I would like to **THANK YOU** for offering a workshop to the Puckett Elementary School personnel/department on April 23, 1999, entitled.....

Safety Seminar

Please be assured that your workshop was accepted with much interest, and will be of great benefit to our school employees as they continue to serve our youth. Enclosed you will find copies of evaluations done by some of our employees who were randomly selected.

Again, thank you for your time. We will keep your workshop topic(s) on file for future inservices.

Sincerely,

Paul B. Sandford
